Dear Paul:

On behalf of Dean Santirocco, I am very happy to inform you that you have been named recipient of the **Harold Seidenstein Award**, presented to a student who shows exceptional ability in chemistry. This award is one of the high accolades the College can bestow on students. You should be very proud of this honor.

The Dean extends his warm congratulations, and looks forward to presenting the award to you at a ceremony and reception in your honor on Tuesday, May 1st at 7:00 p.m., in the Tishman Auditorium, Vanderbilt Hall, 40 Washington Square South. Your parents or guests are also most cordially invited to attend.

Please return the enclosed reply card and information sheet in person to my assistant, Rose Olivito, in Room 909A Main Building by April 10th.

I would like to add my own personal congratulations on your achievement.

Sincerely,

John A. Delgrosso
Assistant Dean
